

AMERICAN FIREARMS ASSOCIATION

2024 PRESIDENTIAL CANDIDATE SURVEY

1. If elected, would you publicly SUPPORT and PROMISE TO SIGN legislation to overturn Biden's so-called "Bipartisan Safer Communities Act" that funds 'Red Flag Gun Seizures' at the state level, mandates waiting periods on gun sales to younger Americans, expands the list of who can be disarmed via the Lautenberg Gun Ban, targets juveniles via phony mental health designators, and institutes 'Minority Report' level 'gun trafficking' rules?

Yes _____ No _____

2. If elected, would you publicly SUPPORT and PROMISE TO SIGN legislation like H.R. 6248 [filed in the 117th Congress] which establishes a national Stand-Your-Ground law, clarifying that gun owners have no 'duty to retreat' before defending themselves against violent predators that attack them in public places where they are lawfully present?

Yes _____ No _____

3. If elected, would you publicly SUPPORT and PROMISE TO SIGN legislation like H.R. 7415 [filed in the 117th Congress] that would repeal the 1994 Gun Free Schools Act, which has made America's schools the site of repeated mass shootings, as violent criminals know that they are unlikely to face any armed opposition?

Yes _____ No _____

4. If elected, would you publicly SUPPORT and PROMISE TO SIGN legislation like H.R. 38, the National Concealed Carry Reciprocity, that would allow an individual who is eligible to carry a concealed firearm in one state to carry or possess a concealed handgun in another state that allows its residents to carry concealed firearms?

Yes _____ No _____

5. If elected, would you publicly SUPPORT and PROMISE TO SIGN legislation like H.R. 374 that would abolish the scandal-ridden Bureau of Alcohol, Tobacco, Firearms and Explosives?

Yes _____ No _____

6. If elected, would you publicly SUPPORT and PROMISE TO SIGN legislation like H.R. 450 that would repeal the 1934 "National Firearms Act" to ensure that future Presidents can not bypass Congress and mandate gun control by simply redefining which firearms and accessories are subject to this act?

Yes _____ No _____

7. If elected, would you publicly SUPPORT and PROMISE TO SIGN legislation that would strip all appropriations that are used by the Centers for Disease Control and the National Institute for Health to study “gun violence,” as these are not actual studies, but weaponized numbers used by Congressional Democrats to advance a war against gun owners?

Yes_____ No_____

8. If elected, would you publicly OPPOSE and PROMISE TO VETO legislation like H.R. 715 / S. 494 that restricts law-abiding citizens from privately selling firearms to other law-abiding citizens without possessing a Federal Firearms License or submitting to a state or federal background check? These checks form a de facto National Gun Registry, which the ATF has said already contains one billion records.

Yes_____ No_____

9. If elected, would you publicly OPPOSE and PROMISE TO VETO legislation like H.R. 698 / S. 25 that would ban so-called “Assault Weapons” in America? While gun-grabbers have a difficult time defining what an “assault weapon” is, legislation they’ve proposed would ban virtually every “semi-auto” firearm in the country, impacting tens of millions of Americans.

Yes _____ No_____

10. If elected, would you publicly OPPOSE and PROMISE TO VETO legislation like H.R. 768 / S. 247 that would create a federal “Red Flag Gun Confiscation” law that would violate the due process rights of law abiding gun owners, and lead to millions of them being disarmed without being arrested, charged, or convicted of a crime in a court of law?

Yes_____ No_____

11. If elected, would you publicly OPPOSE and PROMISE TO VETO all legislative attempts to disarm law-abiding citizens through mental health processes that allow judges, doctors, nurses, psychiatrists, psychologists, or anyone else to arbitrarily declare someone mentally defective, disarming them before they’ve had their day in court?

Yes_____ No_____

12. Previous administrations have used Executive Orders to unilaterally reclassify wildly popular firearms and firearms accessories like pistol braces, bump stocks, 80% lowers, short-barreled rifles, and shotguns, making them subject to the National Firearms Act (NFA), and virtually illegal for gun owners to possess. If elected, will you use Executive Orders to reverse this damage, by declassifying these items out of the NFA?

Yes _____ No _____

13. President Biden has promised to once again enter the United States as a signatory of the UN “Small Arms Treaty,” which the United States withdrew from in 2019. If elected President, do you promise to publicly OPPOSE the UN “Small Arms Treaty” and instead promise to make sure the United States is not a signatory?
